No M 6 5380/43 dt 21/7/44

Requests sanction to the appointment of one Mr Sankara Royal on Rs 48/- in the grade of Rs 40-4-60 as an Asst master in the Mekhal municipal high school

In the case of appointment of teachers in the K & T mal high school, the D P I himself has suggested that, as no candidates are forthcoming to accept jobs in the mal high schools on the initial salary of Rs 40/- pm in the grade of Rs 40-4-60, appointments may be made on a higher pay in that grade Hence, the present proposal of the D e may perhaps be sanctioned

As per rules, the vacancy in question, has at first, to be registered, classified & advertised. Such a procedure does not seem to have been adopted in this case so far. It may at least be done so now. Mr P. N. Shankara Royal BSc who is appointed in the vacancy, by the DC, Bangalore, as an interim measure, may also apply & take his chance along with others.

As per rule 11 of the revised rules of recruitment, an appointed candidate for admission to the service, should ordinarily start at the bottom of service in each class in the district. The question of granting 2 advance increments to the candidate in question, does not therefore arise at this stage, from the recruitment point of view. The PSC may however be consulted about this & other points referred to in the P & D (Edn Secy) U.O. No 23/44 of 29.7.44.

Returned with compliments

The rules of recruitment require that the vacancy should be first classified and advertised

Mr Shankar Royal is a candidate belonging to a Backward Community The fact that he is willing to go as a teacher, leaving his job in the Secretariat on an enhanced starting pay is a clear indication that it is possible to secure the required number of Backward Community candidates for the education service if an enhanced starting pay is given The vacancy may be advertised accordingly if Government approves the suggestion of the Deputy Commissioner in this behalf Mr Shankar Royal may also apply and take his chance along with others

The proposal may be accepted, as it is difficult to secure teachers for the High Schools there are complaints that the schools are understaffed. The effect of opening High Schools will be nullified, if there are no teachers to manne them.

Sir,

Municipal High School-Anekal-appointment of teachers-

I have the honour to state that in connection with the opening of a High School at Anekal and the immediate need for the entertainment of necessary teachers I have appointed one Mr. P Shankara Royal, B Sc , as Assistant Master on Rs 40-4-60 pending advisertisement of the post. He is employed at present in the General & Revenue Secretariat He has put in an application praying for being started on Rs 48/- in the grade 40-4-60 There is dearth for qualified hands who are willing to accept the posts of teachers It has been found from experience that as in the case of Dodballapur Municipal high School that advertisements in the gazette inviting applications have proved ineffectual It is therefore necessary that the candidates who are to be employed as teachers should be started on a higher pay than the minimum to be a sufficient inducement for them to accept these posts I, therefore, recommend that Mr Sankara Royal may be permitted to be given two advance increments and started on Rs 48/- in the grade 40-4-60 He has been promoted this in anticipation of your kind approval

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District.
